MEMORANDUM FOR: Director of Central Intelligence

VIA: Deputy Director of Central Intelligence
Deputy Director for Operations

25X1 FROM: [REDACTED]
Chief, Counterterrorism, Paramilitary and Narcotics
Staff

SUBJECT: DDO Attendance at DoD's Low Intensity Warfare
Conference, 14-15 January 1986

REFERENCE: Letter to DCI from Under SecDef, dtd 27 Dec 85

25X1 1. Two senior CPN officers from my Special Operations Group,
[REDACTED] and I have accepted
25X1 invitations to attend subject conference. All of the sessions will be
covered.

25X1 3. The speakers and agenda should hopefully provide a stimulating
forum in this area of intense interest. All areas of discussion have
been publicly debated. It would not be appropriate, given the parti-
cipants and openness of the conference, for CIA active participation in
the conference. Anything worth following up on can be done in
established liaison channels.
